MR. JAMES WILSON, PRINCIPAL

Although a newcomer to Morehead High School, Mr. James T. Wilson is no stranger to public education. Mr. Wilson was born in Wilson, N.C., and he attended Ralph L. Fike Senior High School. At Atlantic Christian College, he earned his B.S. Degree in P.E. and History. He then earned his M.A. degree in Physical Education and Administration at Appalachian State University. Mr. Wilson taught science, p.e., and math, and coached the basketball and track teams at Draper Junior High School. At Holmes Junior High School he served as assistant principal for

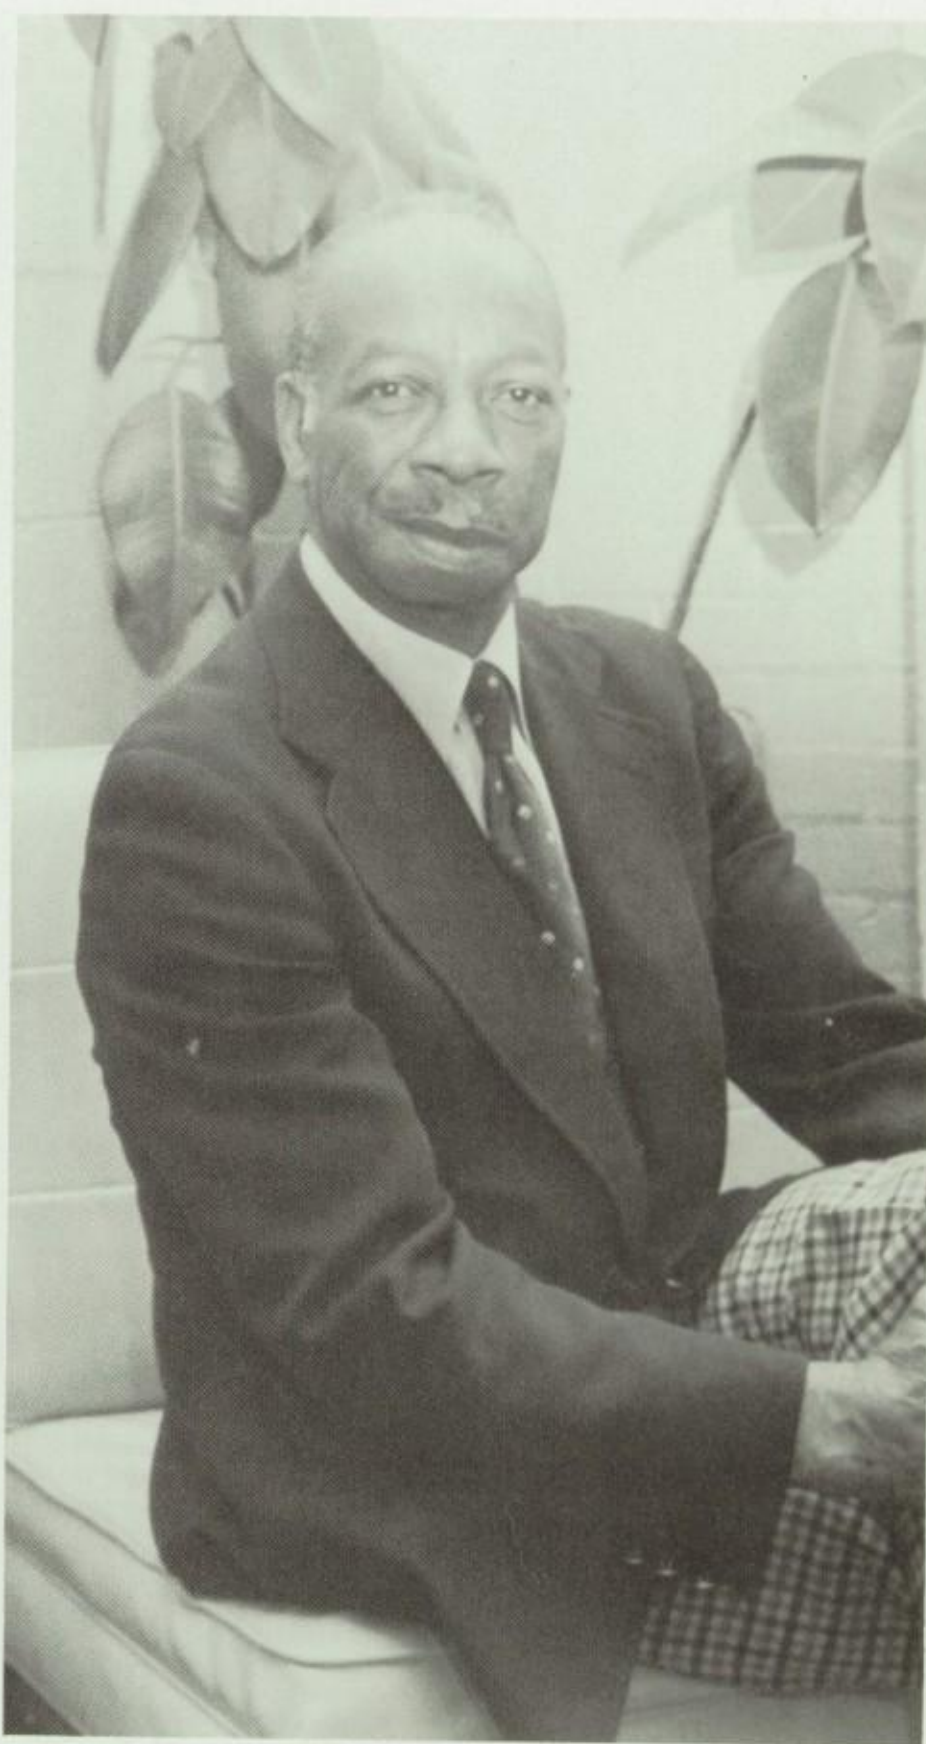

fourteen years.

According to Mr. Wilson, there are vast differences between Holmes and Morehead: Morehead students are more mature and have fewer discipline problems; decision making is more important because the outcome of the decision affects many people for possibly the rest of their lives; more "out-of-school" time is required to get the job done. As his first year as principal comes to an end, Mr. Wilson has proven himself to be an effective leader at Morehead High School.

ASSISTANT PRINCIPALS

Born in Danbury, N.C., Mr. Tom Harger attended Lawsonville High School. After high school, he did his undergraduate work at Appalachian State University where he earned his B.S. degree in Health and Physical Education. At A & T State University he earned a M.A. degree in School Administration. From 1966-1970 Mr. Harger taught math and P.E. at Mt. Airy High School. He was also athletic Director, head baseball coach and assistant basketball and football coach. In 1970, he went to High Point Andrews where he taught P.E. and Biology. There he was head baseball and swimming coach and assistant football and wrestling coach. He left High Point Andrews in 1973 and came to Morehead. Here, he has been a P.E. teacher, assistant track coach, athletic Director and head football coach.

A native in North Carolina, Mr. Herbert L. Lassiter was born in Aulander, N.C. He attended C.G. White High School in Powellville, N.C. After graduating from high school, he did his undergraduate work at what is now known as Elizabeth City State University. He completed his graduate work at A & T State University. His work in schools began in Newlin, N.C. where he taught grades seven through nine and was principal. After two years, he came to Rockingham County and taught all subjects for grades five through eight in a county school for one year. Finally, he came to Eden in 1943 and taught at Douglass until 1966. From that point on, he has been at Morehead.

Dear Morehead

*For the short time that I've known you
And have come to be your friend,
I'm wishing you some extra time
Before it has to end.*

*I know I'll seldom see you
In the future years to come,
So I'll say what I have to say
Then, I'll be finished; I'll be done.*

*I hope you will remember me
And all the fun we shared.
I hope you'll think of all the things
About which we cared.*

*I guess I'll have to go now
And say my last good-bye,
I'll say it with a smiling face
But when I'm gone, I'll cry.*

4-H is dedicated to the growth and development of boys and girls, ages 9 to 19. 4-H deals mostly with the individual, but also provides group involvement. There are a wide variety of educational experiences one can come in contact with through this program. They vary from consumerism, production and management, to community action, leisure education, enviromental awareness and horsemanship.

The North Carolina 4-H Program tries to teach its members "life skills," needed to interact successfully with the world. These skills are: becoming self-reliant, learning how to acquire and use knowledge, relating to change, and helping and sharing with others. Their motto is, "To make My Best Better."

This year, the members of the 4-H Club are: Karen Gatewood — president, Wendy Land — secretary, Keith Crouch — reporter, Jim Matson — Jr. Leader, Emma Wooten, Clarence Wooten, Jenny Bowers, Wendy Crouch, Rebecca Darnell, Michael Brown, Jamie Brown, Jodi Hyler, Andy White, and Jennifer Lowe.

Question: Where do eight hundred high school students go for six weeks during the summer to study English, Math, Science, Languages, the Arts, Psychology, and Philosophy? Prison, you say? Or did they all die and not go to heaven? Wrong! These lucky people are students at the Governors School of North Carolina (G.S. for short), an enrichment program for gifted and talented high school students. Since competition for selection is stiff, it is quite an honor to attend. G.S. is held on two college campuses: G.S. East at St. Andrews College in Laurinburg, and G.S. West at Salem College in Winston-Salem. Believe it or not, G.S. is fun! Classes are extremely informal, and interesting (and sometimes bizarre) topics are discussed. But the real fun starts after class. Dances and field trips, even toga parties and costume parties, are common occurrences. However, G.S. does have a few bad points. The G.S. West dorms have huge cockroaches, and the only off campus attraction at G.S. is the local K-Mart. Despite the academic atmosphere, G.S. is really about people. As an experience for meeting unusual people, making new friends, and growing up a little, Governors School has no equal. By: Libby Barksdale

GOVERNOR'S SCHOOL

1981-82 Foreign Exchange Students

Helen Hanson is from Solvesborg, Sweden, which is a town about the size of Eden. She has one older brother and says "Most families in Sweden have one to three children."

Helen is involved in many activities, especially sports, here at Morehead. She is a member of the Juniores, AFS club, the volleyball, basketball, and track teams. Helen said, "I really have enjoyed all the sports activities Morehead has to offer. In Sweden the schools only offer P.E." In talking to Helen we discussed her love of horses. "I am very interested in horses and have had one for four years. That has been my big interest for about eight years, so I haven't had time for anything else."

Helen says that she has enjoyed her time at Morehead. She has met many new people and enjoys the friendships with everyone. Upon returning to Sweden, Helen will have one more year of high school before she graduates because this year in the U.S. will not count towards her graduation. She plans to work a few years before attending college and she is considering majoring in business.

Georg Plank is from Graz, Austria which has a population of 300,000. Georg graduated from high school with his class in Graz last year. At Morehead Georg is involved in many different activities. He is a member of Glee Club, AFS, Mu Alpha Theta, Spanish Club, Science Club, and the Cross Country Team. His hobbies are biking, skiing, swimming, reading and working with his church youth group.

When Georg returns to Austria, he plans to attend the University of Austria and major in either Theology or foreign language. Upon his departure Georg wanted to express in an open letter to the student body his feelings of appreciation:

Dear Friends,

Although it did not take me very long to find out that Eden was not the one that the Bible was talking about, I realized during my year here as an Austrian exchange student that this is one of the countless places on earth where people can live together in the abundant love of God.

AFS tries to lead all of us to a better understanding of our world, to a higher tolerance and openness for different cultures and ideas, and to an international and intercultural exchange. I believe firmly that these goals can be reached only under the guidance of true honest love.

Throughout the year I was allowed to grow, especially in my love of God, not because He was my only close friend in the first months, but also because it was Him who gave me the courage and the strength to go through times of depression! God shows me very clearly that love is the only way that will bring me to a lot of friends.

Like a little child, I had to get use to a very different way of expressing my feelings and thoughts. I am aware of the fact that I made many mistakes that hurt me or somebody else, but all in all, I adjusted well to your community.

An important role for the happy days that I enjoyed here, was the friendliness of many people towards me in spite of my strangeness and the realization that patience and humility are two very significant features of love. As a matter of fact, it is impossible to describe the effects of my experiences of my life in Eden. Starting with exhausting Cross Country practices, my adventures included the learning of roller skating, the writing of research papers, the copying of calculus homework in the overcrowded cafeteria, and reached to pep rallies, football games, glee club shows, variety shows and all production activities.

All these impressions are framed by the wonderful love that I received and was allowed to give in many common hours with you all. May God bless you in your lives. My deepest thankfulness is expressed in my prayers for you all. Danke!

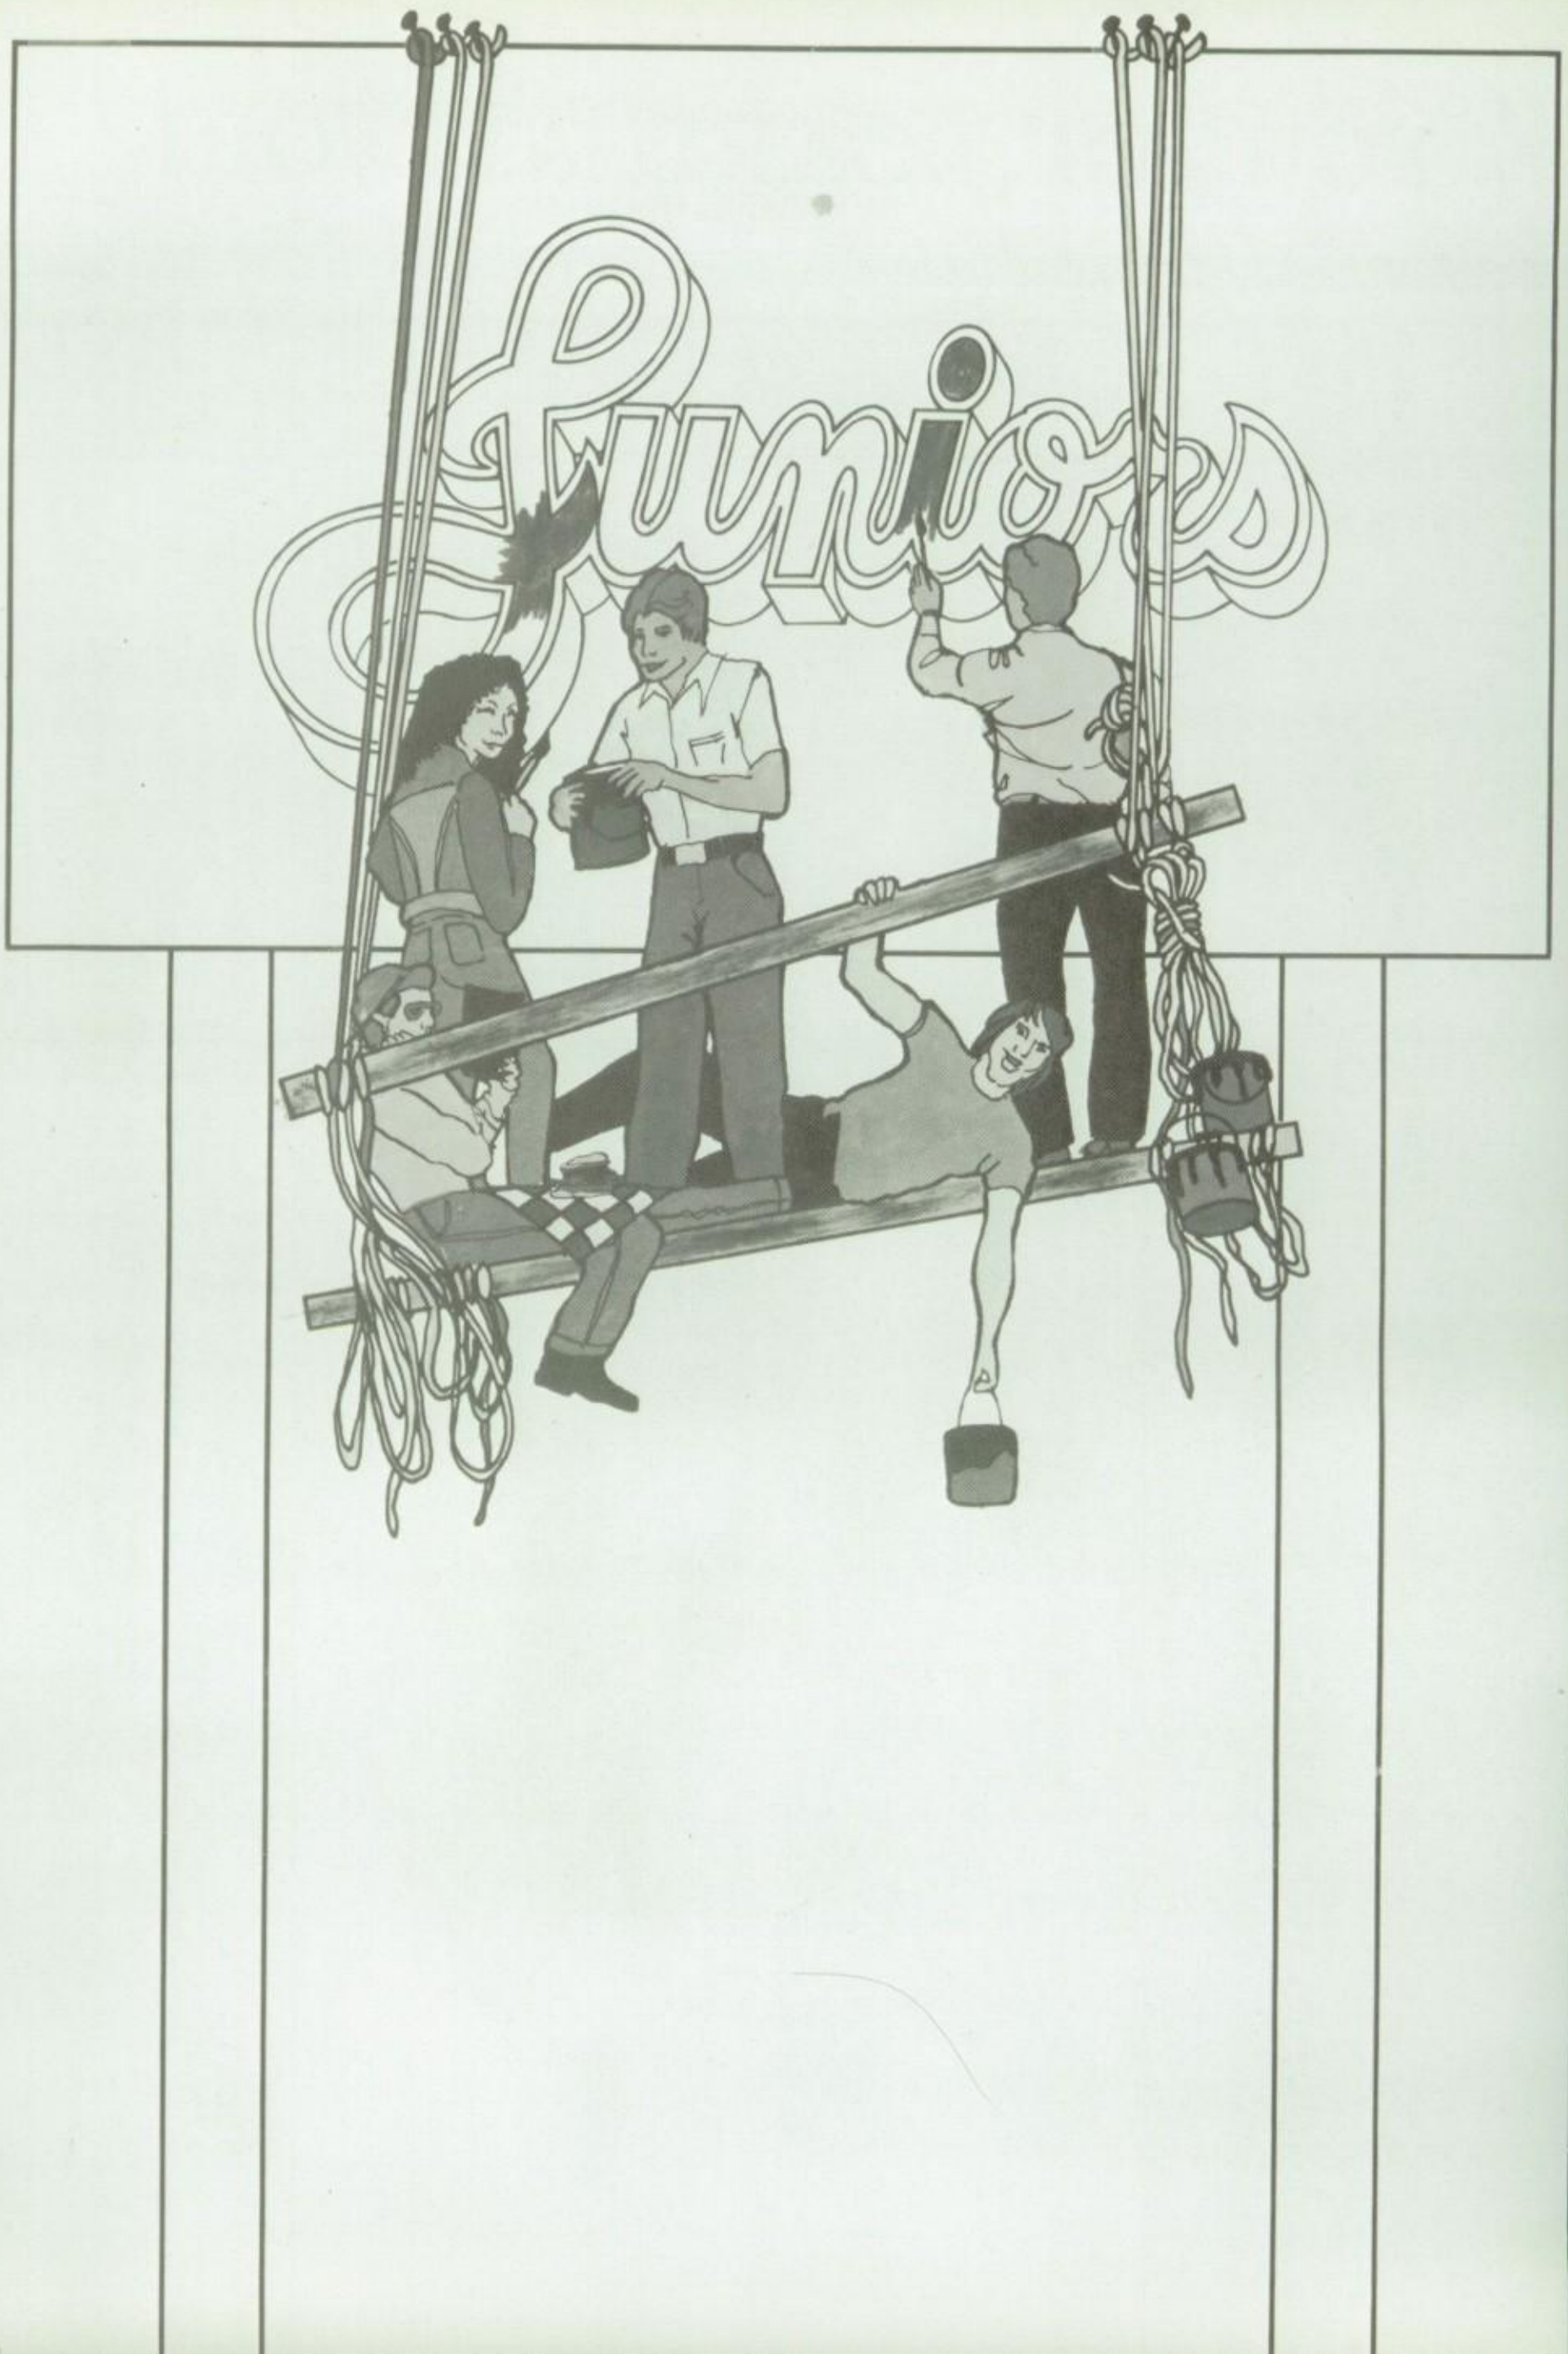

I will never forget you!
I love you,
Georg

MONDAY

*The clock goes off
It's quarter til eight
Oh my goodness
I'm gonna be late.*

*I drag out of bed
And rush down the stairs
Grab a brush
And brush my hair.*

*Run out the door
Straight to the car
Crank the motor
Drive through the yard.*

*It's one of those days
Nothing goes right
Boy I can't wait
Til Friday night.*

*Squeal the wheels to a
Screeching halt
Jump out of the car
Stumble down the walk.*

*Run into class
There goes the bell
Oh no I know
The teachers gonna
Give me . . . heck.
Monday.*

Amy Miller plays her licorice-stick-at a pep rally.

*Above: As rookies on the dance team, Tammy Hunter and Amy Evans try to keep in step.
Below: Ken Dowless looking guilty as usual.*

Wondering when it will ever be his turn . . . Donnie Caudle waits patiently.

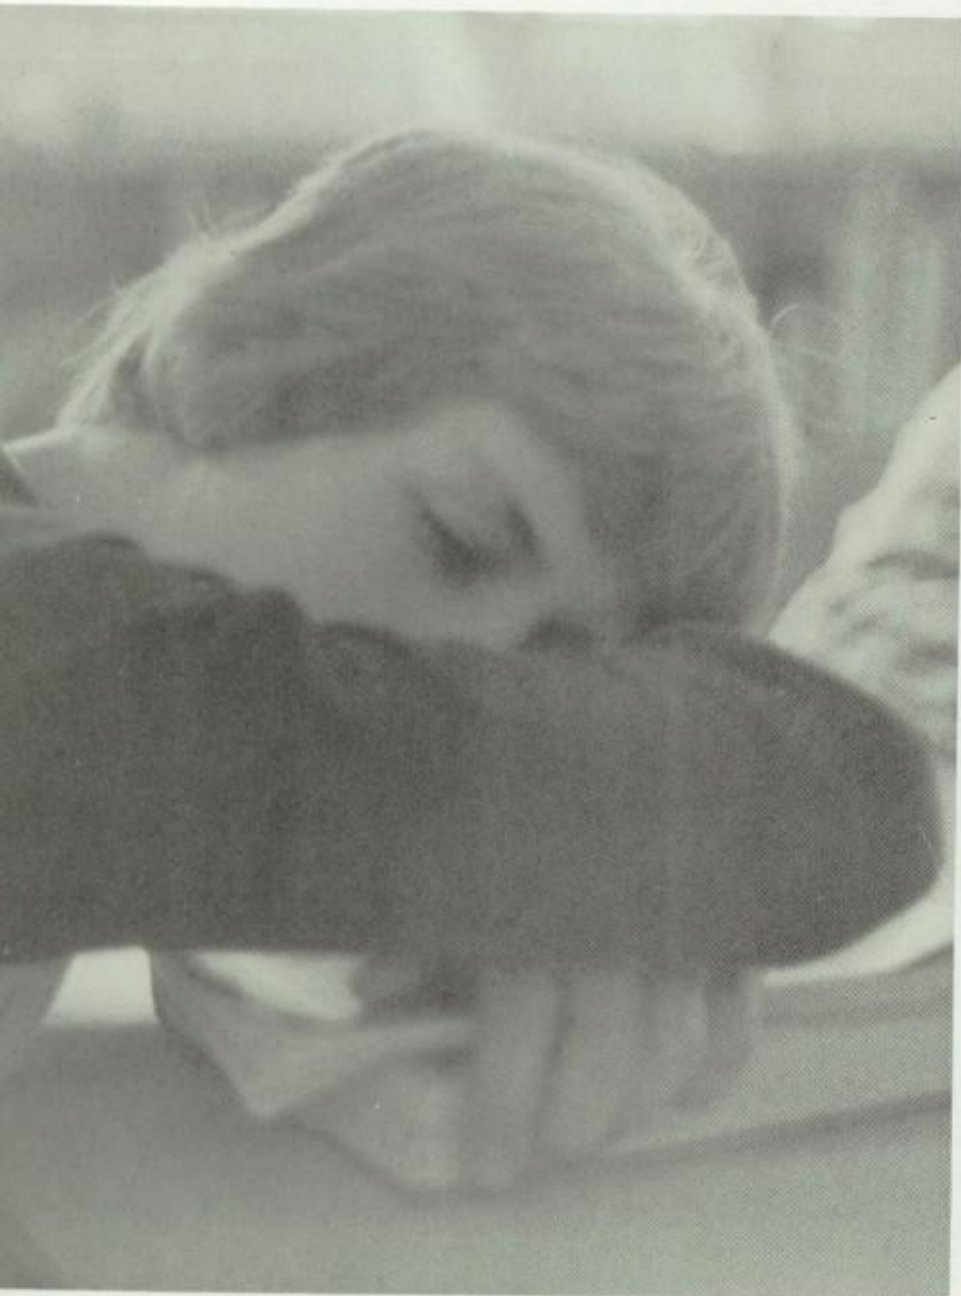

Above: I've heard of students driving teachers crazy, but, Mr. Murphy, this is ridiculous!
Below: Listening to music? No, actually these students are awaiting their turn at the rifle range.

Keeping in step!

ove: Greg Purdy asleep again?
ow: Guy McCall gives a quick prayer for his saxophone, which seems
be hopeless.

Changing Classes

*Down the hall,
Through the jam,
To my locker,
Off I ran.*

*With only four minutes
Which isn't enough.
I grabbed my books,
And the rest of my stuff.*

*Through the crowd
I pushed my way,
Off to the start
Of another day.*

*So off I went
To my first period class,
Saying hello
To the friends I pass.*

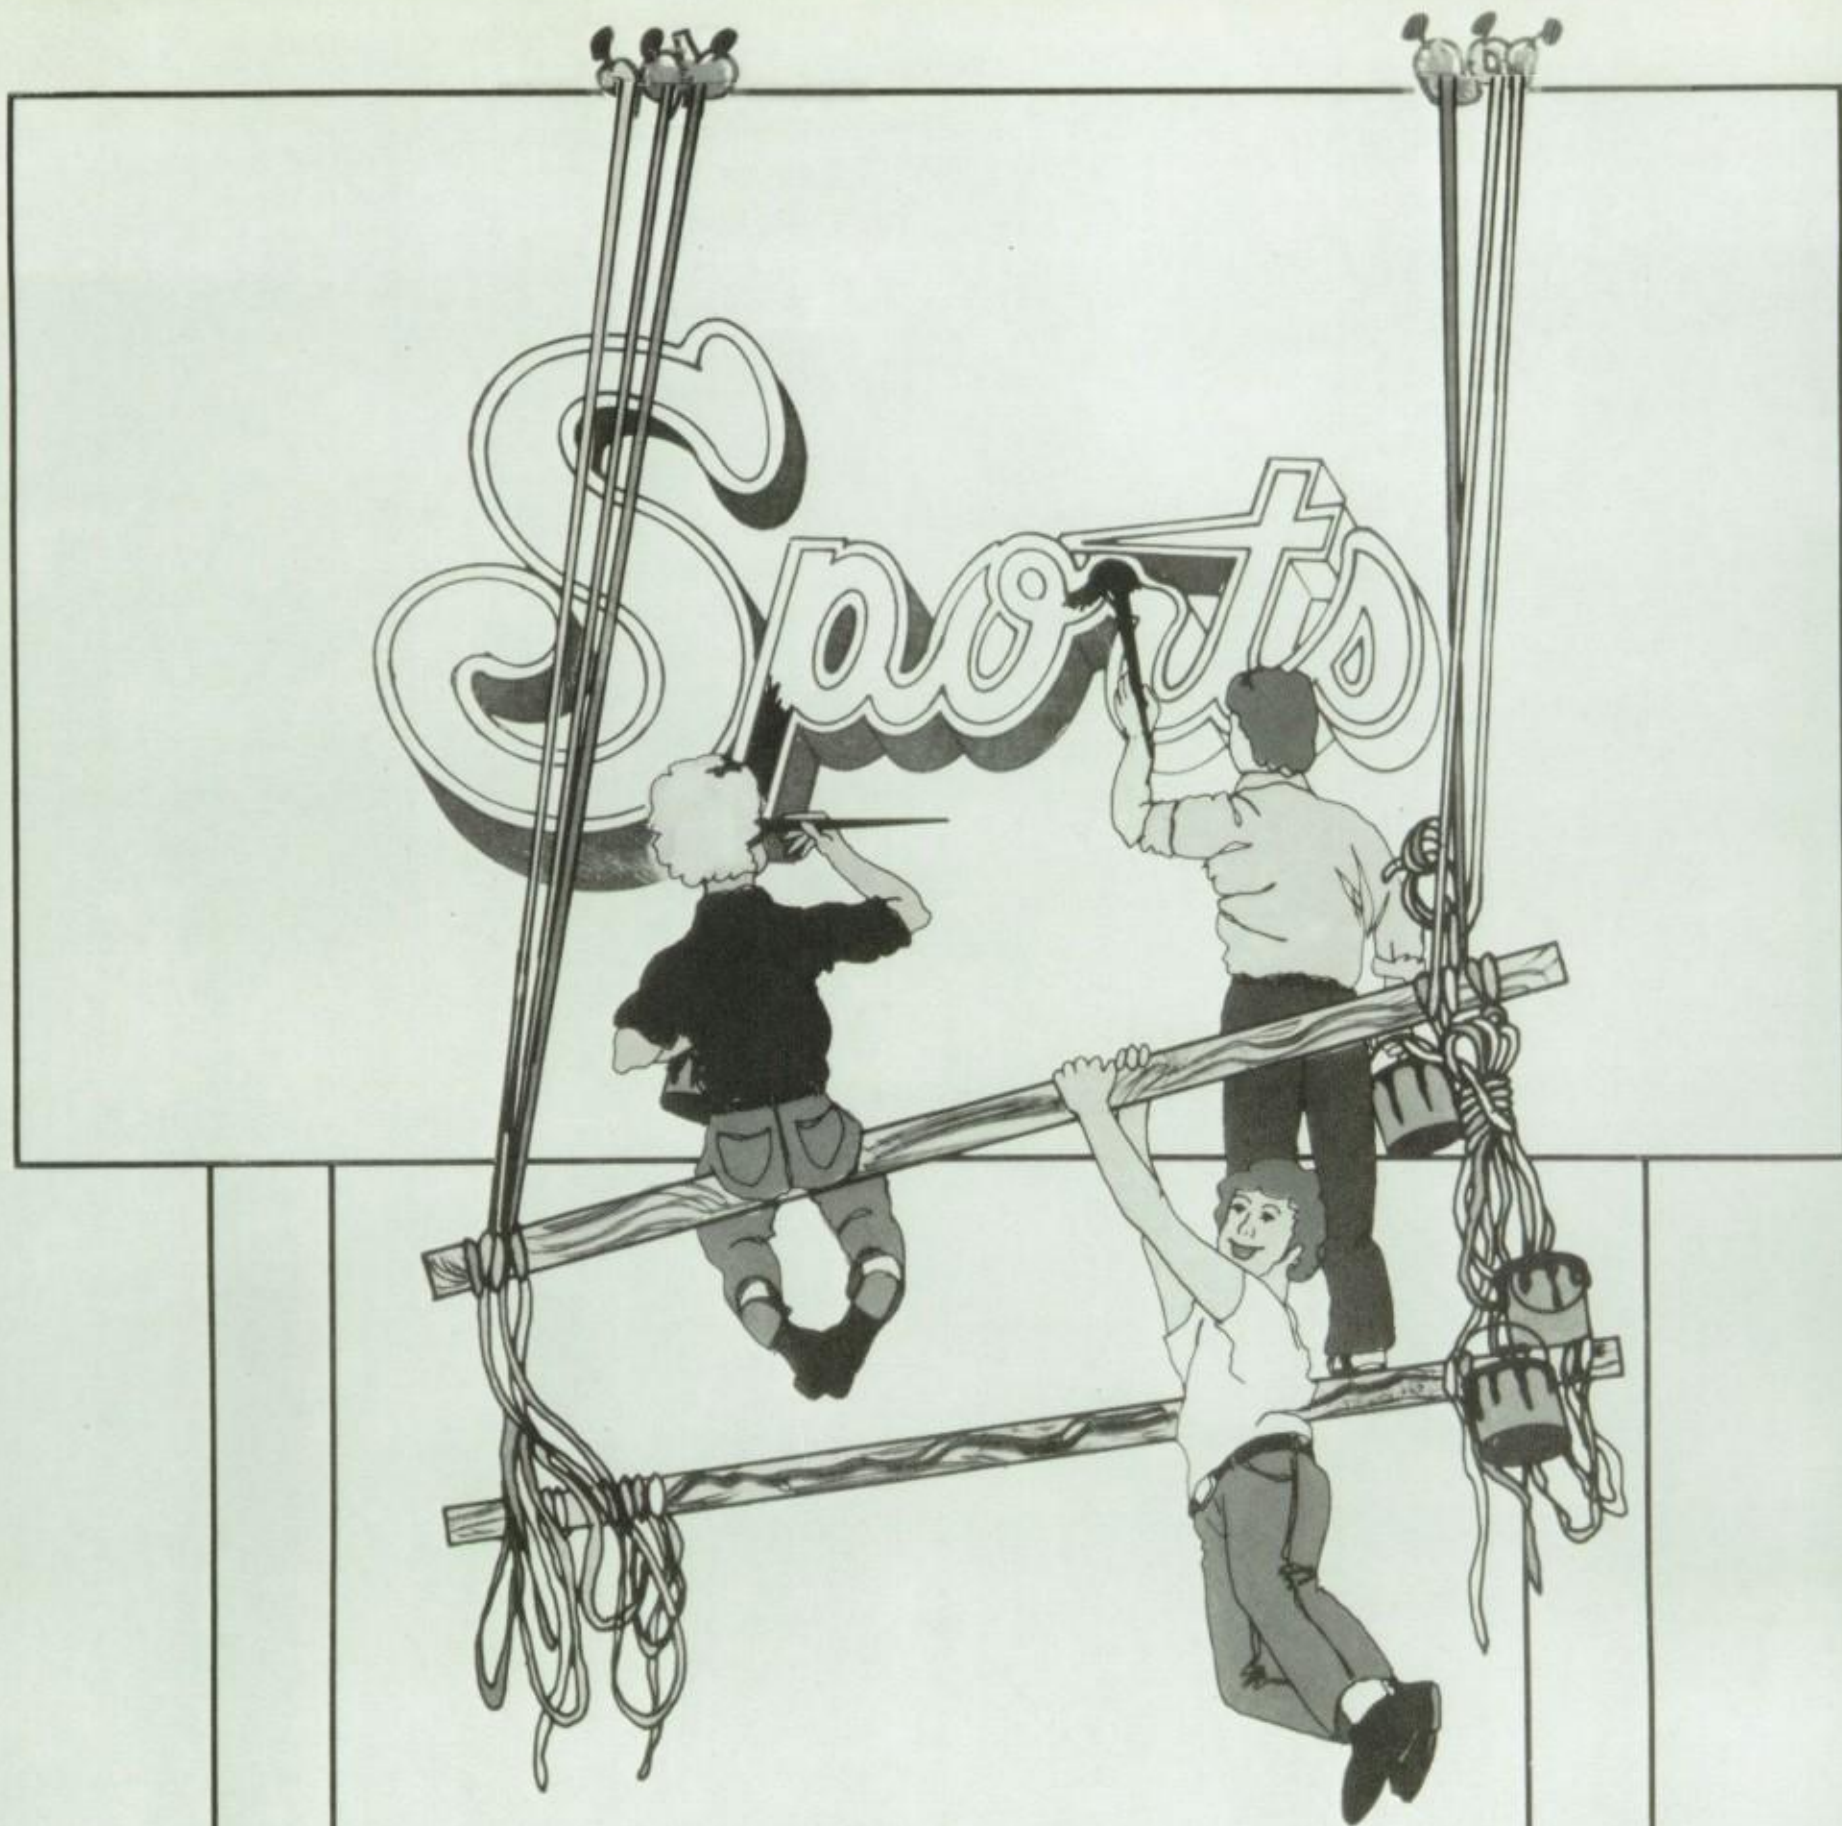

*Two more minutes
Is all I got.
I thought to myself,
That isn't a lot.*

*And as I walked in the door
The bell did surely ring,
I made it, I barely made it,
Through the whole frustrating thing.*

Below: "Study? Are you crazy?" asks Robin Shropshire. "I'm just having my picture made."

Code of the Panther

*Now this is the law of the jungle
 As old and as true as the sky
 And the Panther that keeps it may prosper
 But the Panther that breaks it must die
 As the vine that girdles the tree trunk
 The law runneth forward and back
 And the strength of the pack is the Panther
 And the strength of the Panther is the pack*

*Now this is the law of the Panthers
 As true as the flight of the ball
 And the player who keeps it shall prosper
 But the player who breaks it must fall
 As the ball and the parts it is made of
 Are bound and made fast by the team
 And the strength of the team is the player
 And the strength of the player is the team*

The 1981-82 Girls Tennis Team finished a marvelous season with eight wins and one loss. Two great assets to the team were Emily Burchell and Ann Groseclose. These two girls won the sectionals in doubles by defeating two girls from High Point Central. They later won the regionals by defeating two girls from Terry Sanford High School. They went on to the State Tournament and finished in the top eight. Moorehead is very proud of its Girls Tennis Team.

"Best Friends" trophy won for Rockingham County Title.

We Were Determined . . .

It was Sunday, July 19, 1981, the morning we had practiced endlessly for. We left at 8:30 a.m. headed for the International Cheerleading Foundation Camp held at the University of North Carolina at Chapel Hill.

We arose early Monday, our second day, with great determination. The heat was terrible, but we pushed on. We entered evaluations with a home cheer "Fire Up", an ICF cheer "Hold On", and a chant "Hubba-Hubba." As the results were given, we were crushed! We had scored 1's, 2's and 3's with 5 being the highest.

Tuesday, day three, with even more dedication and determination, we entered evaluations with our home cheer "Climb," ICF cheer "Attack", and a chant "We've Got That Spirit". The results of our evaluations were all 4's and 5's. We received a handful of ribbons for spirit, sparkle and shine, stunts, executions, and our most treasured one — the 110% effort ribbon.

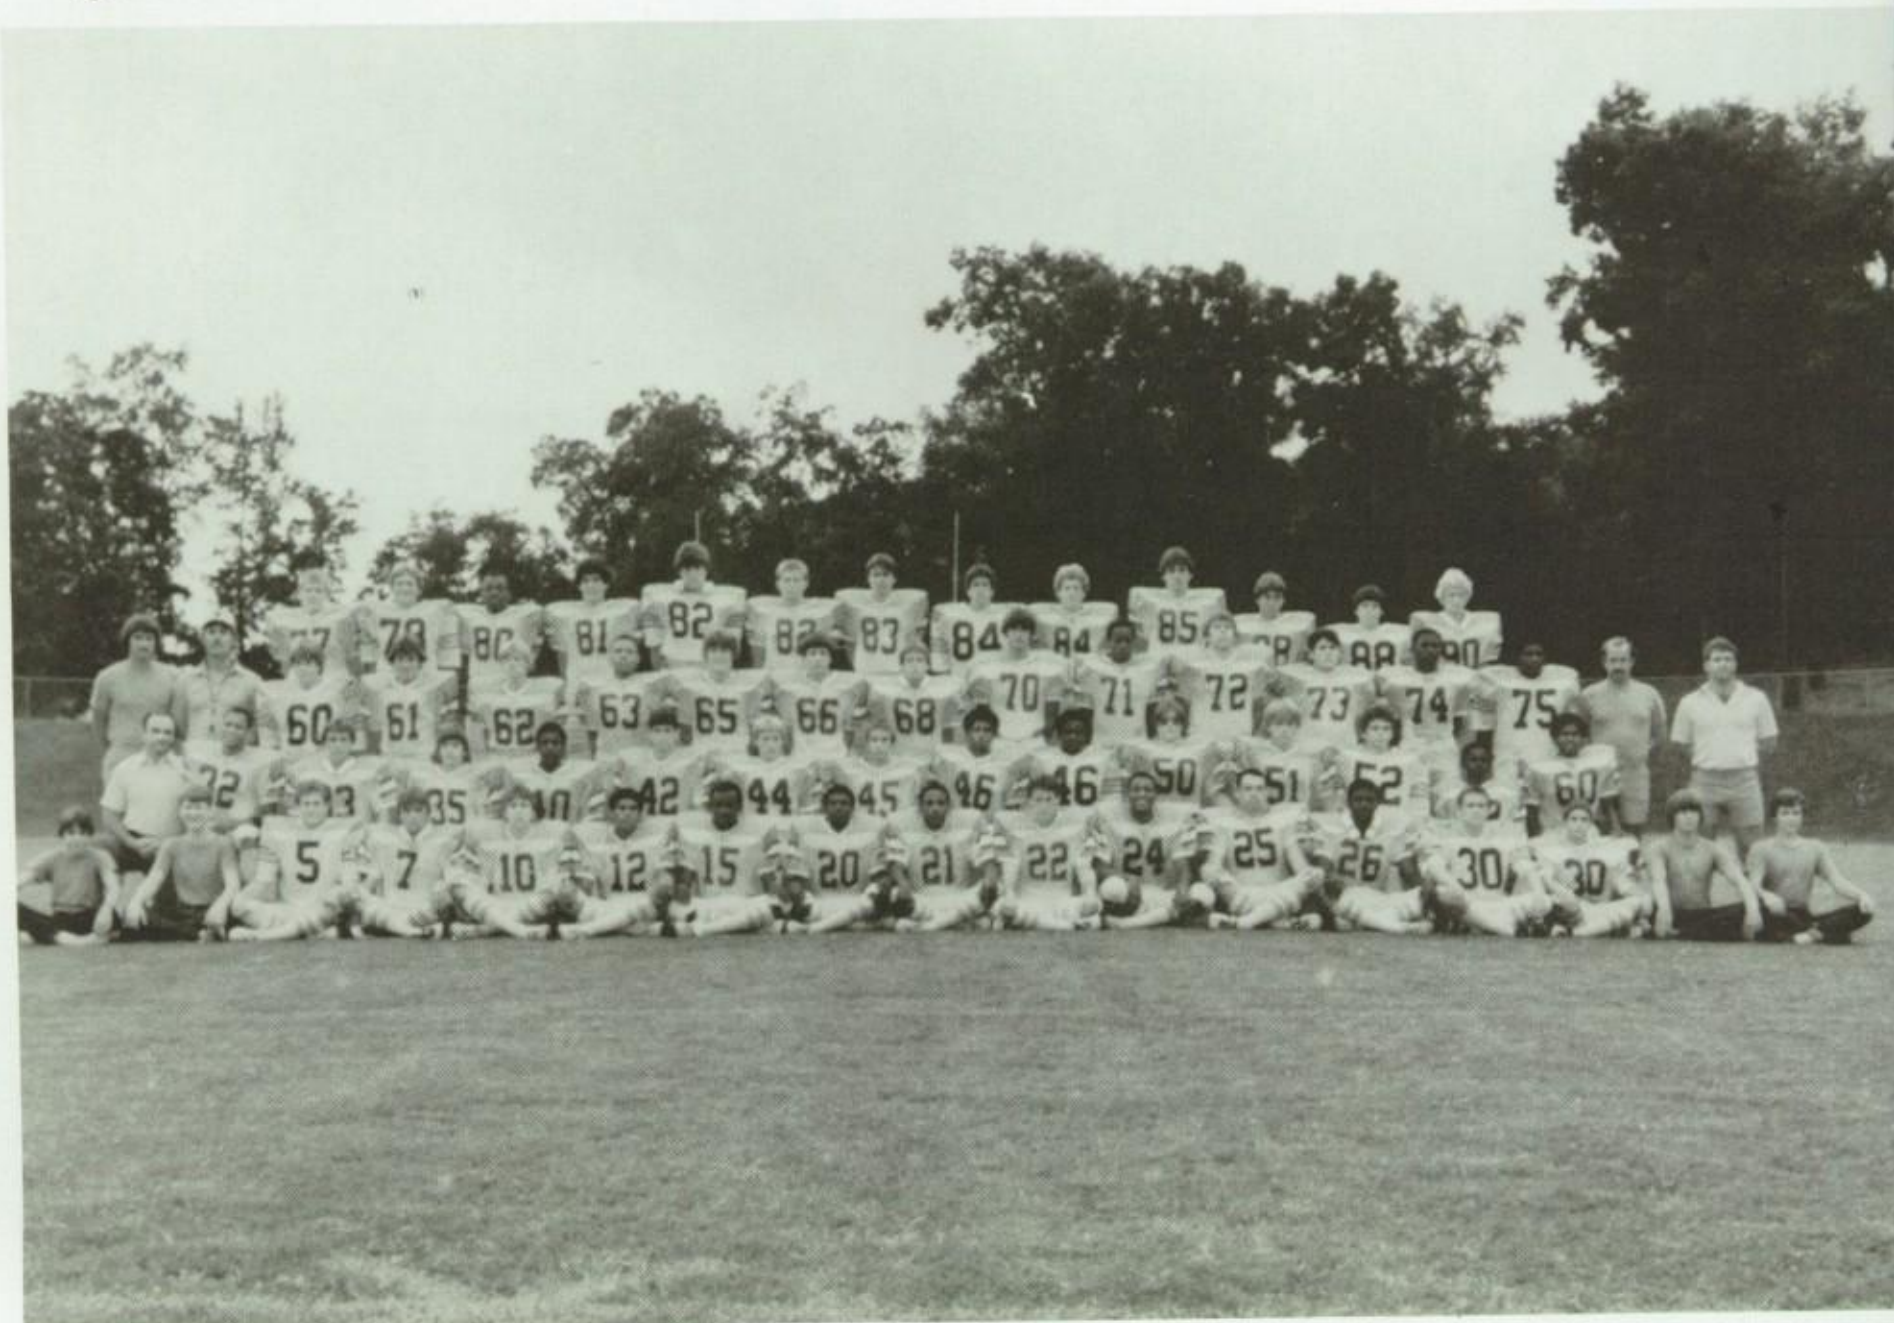

Wednesday, the fourth and final day of competition, we arose at 4:30 a.m. We began practice 30 minutes later. "Is this really worth it?" each girl asked herself. Final competition began. We did the home cheer, "Once We Get Started" and the ICF cheer "Attack". It seemed like an eternity waiting for the results. Finally, they came: MHS Varsity squad had qualified for Grand Champ Competition. We were allowed to do one ICF cheer. Our choice was "Attack". Our cheer was finished, and we pushed on with our smiles and our spirit. Then what seemed like endless silence brought forth the final results: the MHS Varsity Squad was the Grand Champion! Number One in the State!

As the excited crowd calmed down, a special announcement was made by the ICF staff. Rhonda Axsom had been chosen out of 300 girls to apply for a position on the ICF staff.

Our dreams were reality; our goals were achieved! What a reputation to uphold — but we were determined! By: Donna Hutson

10-0

"Another one Bites the Dust" could be the theme song for our J.V. Football team, for they ended the season 10-0. This was a year of many changes for the J.V. sports program. The fact that the tenth grade boys were included on the team was the biggest change of all. At first they felt a little left out. But as the year progressed, their feelings of acceptance increased. By the end of the season, some were even on the starting line-up.

An additional change was a weight lifting program headed by Coach Welch. this was not a requirement, but it was to the advantage of the players to participate.

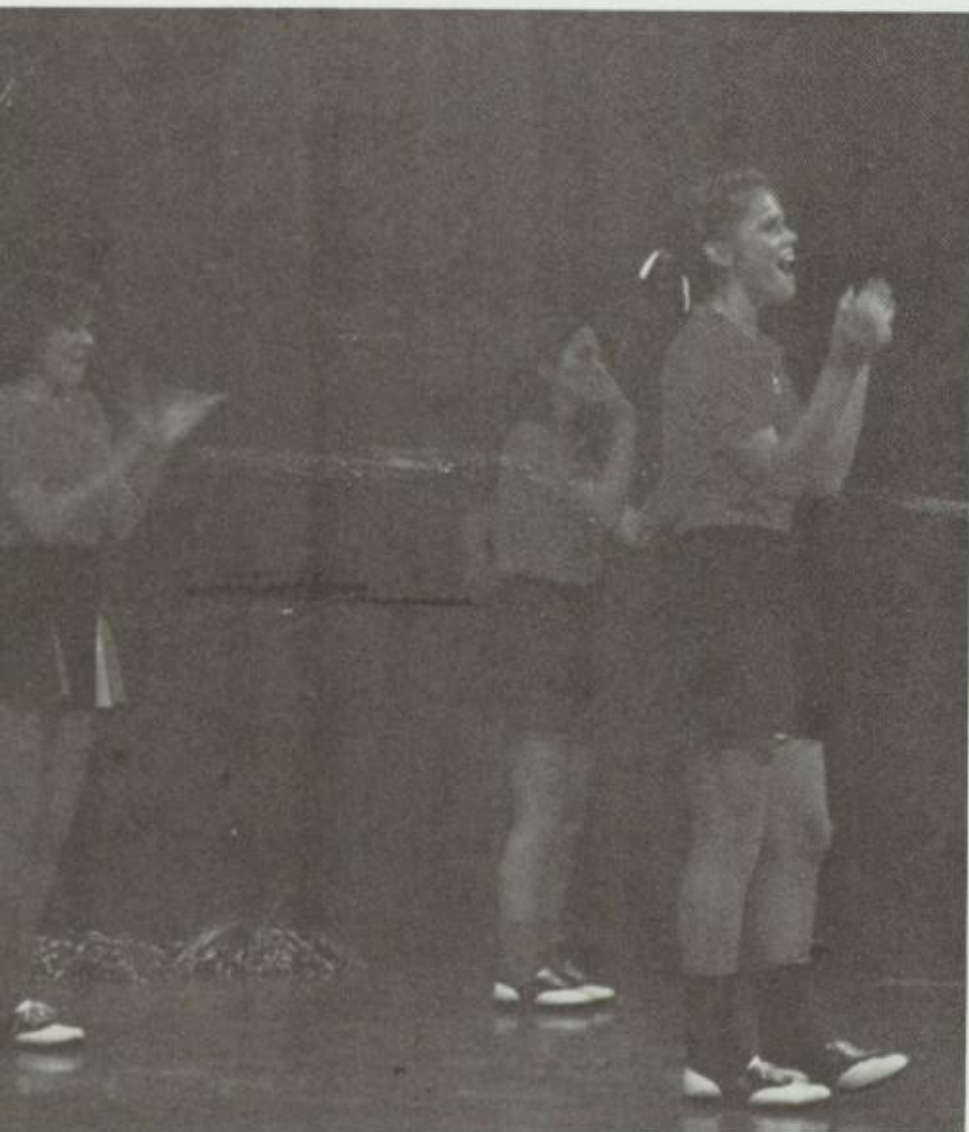

It was the last quarter of the last game of the season and history was in the making. Would they be able to come through? Suddenly, the minutes had become seconds, as the crowd stood — some crying others joyful, but all proud. The crowd with screams of joy sang the Alma Mater for the last time. Another had bit the dust!

MAGAZINE SALES

The Junior Class of 1982 outsold last years Juniors on the magazine sales by \$82.10. The total sales for this year were \$20,593.54. The top sellers were Sherron Slaughter, Jimmy Knight, and Renee Corum respectively. The homeroom with the most sales was Mrs. Thompsons'. Mrs. McCall's homeroom was second.

Don Wright, Tim Newman, and Maryanna Harris challenged Stephanie Reinard, Leah Washburn, and James Hutcherson to break last year's magazine sales record. If the Juniors broke the sales record, Seniors would get pies in the face. Should the Juniors fail, they would get creamed. As it turned out the Seniors lost. The Juniors put out a great effort towards their sales!

Junior Class president, Stephanie Reinard, gives Don Wright a pie in the face.

Right: Junior Class secretary, Leah Washburn, saved up all her strength in order to show Tim Newman that she met the challenge.
Lower: Everyone gets a piece of the action!

OPEN HOUSE

Emily Burchell works as a guide for Open House.

Left: Miss Wilkerson, the new Home Economics teacher, talks with a student during Open House.

Below: Sgt. Caple talks with parents about the ROTC Program.

FACULTY SKIT

This years Faculty skit, "Review of Homecomings Past," was a conglomeration of old Homecoming skits. With Mr. Carter as narrator, the faculty performed such skits as "A Day at Miss Madison and Miss Mayodans' Ding Dong School," a bicentennial skit, an Oriental skit "Lulu's Highway 29 Truck Stop," and "The Southern Guilford Indian's Homecoming Court." The great performance of Morehead's not really for Prime-time teachers was truly an educational experience!

Right: Portraying "Topsy Canoe" in the Faculty skit, Mr. Murphy shows off his somewhat sexy legs. Below: What are these wild women looking at? Lower Right: Interviewing Paul Revere Seymore, Mr. Carter finds out when the British are coming.

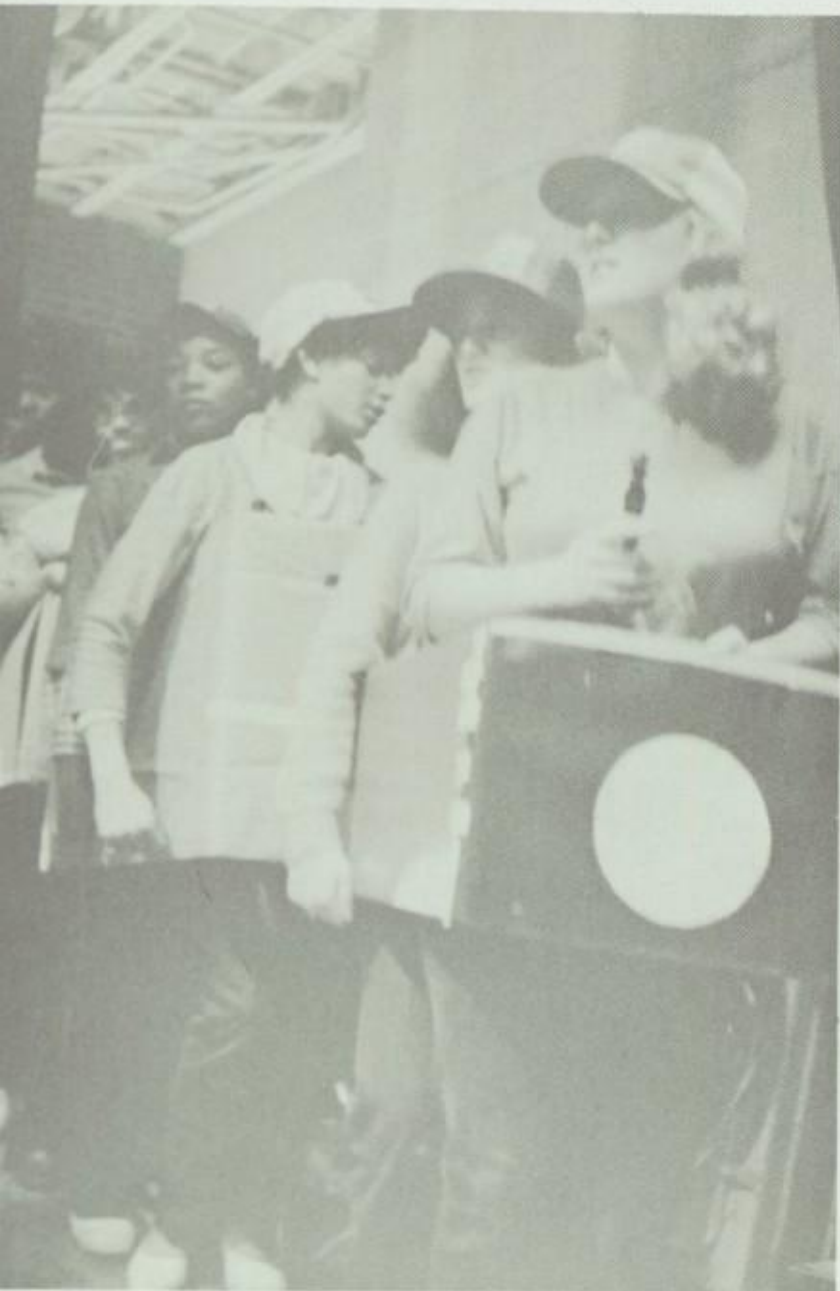

SENIOR SKIT

The theme of this years Senior Skit was "A Day in Mr. Rodger's Neighborhood." Mr. Rodgers was portrayed by Tracy Rodgers. Mr. Trolley was led by Anna Jane Yarberry and bringing up the rear was Tonya "Bad Mama Jama" Denny. The senior guys did a great job cheering as they performed the famous commercial "900-976-1313." In conclusion we feel the Sophomores felt right at home watching the Senior Skit of 1982.

Mr. Rodgers, better known as Tracy Rodgers, asks his kids if they can say "Total Annihilation."

Left: Anna Jane Yarberry leads the trolley through Mr. Rodgers neighborhood.

FOOTBALL HOMECOMING PARADE

Above: Juniors work diligently on their winning float. Right: Sophomores give it their best with "On the Trail to Success." Lower: "Panther Ale Makes Indians Pale" was the theme for the winning Junior float.

On October 16, 1981, the Junior Class won the float competition with their theme of "Panther Ale Makes Indians Pale." The float consisted of a can of "Panther Ale" pouring into a MHS mug. The base served as a table. The work on the table was done in great detail. The Juniors really did a great job and won a well-deserved victory.

Left: The Senior Class presented a float with the theme of "Fry 'em with a Touch of Class".

Above: Ann Groseclose drives the big, bad tennis team truck in the Homecoming Parade.

Left: For the first time Freshmen participated in float-making showing "Panther Determination."

FOOTBALL HOMECOMING NIGHT

Left: With a few tears, Tori Wright smiles after being crowned the Football Homecoming Queen for 1981. Below: Emily Burchell and Debra Hylton were crowned Princesses as they were escorted by Allen Burchell and Quinton Hairston.

1981-82 FOOTBALL HOMECOMING QUEEN

Tori Hunter Wright is the 1981-82 Football Homecoming Queen. She has been described by friends as being respectable, admirable, friendly, smiling, pretty, sweet and determined. Through her high school years, Tori has been involved in many extra-curricular activities. She has been a member of the cheerleading squad, Student Council, Glee Club, National Honor Society, Math Club, Junioresettes, Girl's Chorus, and a Junior Marshall. Besides school activities Tori enjoys swimming, dancing, and cross-stitching. She has a special talent for playing the piano and drawing. Tori's future plans are to attend the University of North Carolina at Greensboro and to enter into the field of nursing.

NEWLIN PHYSICAL EDUCATION ATHLETIC BUILDING DEDICATION

Mr. Wendle Newlin says a few words after the gym has been officially dedicated.

Mr. Newlin looks as if he can't believe this, as the crowd gives him a standing ovation.

Mr. Wilson stands by to give assistance to Lisa and Mrs. Newlin as they unveil the plaque.

Mr. Mert Warren, Past Chairman Eden City Board of Education gave a brief message prior to the unveiling of the Memorial Plaque.

There was also time during the day for goofing off as Michelle Charpentier and Tammy Smith are caught doing.

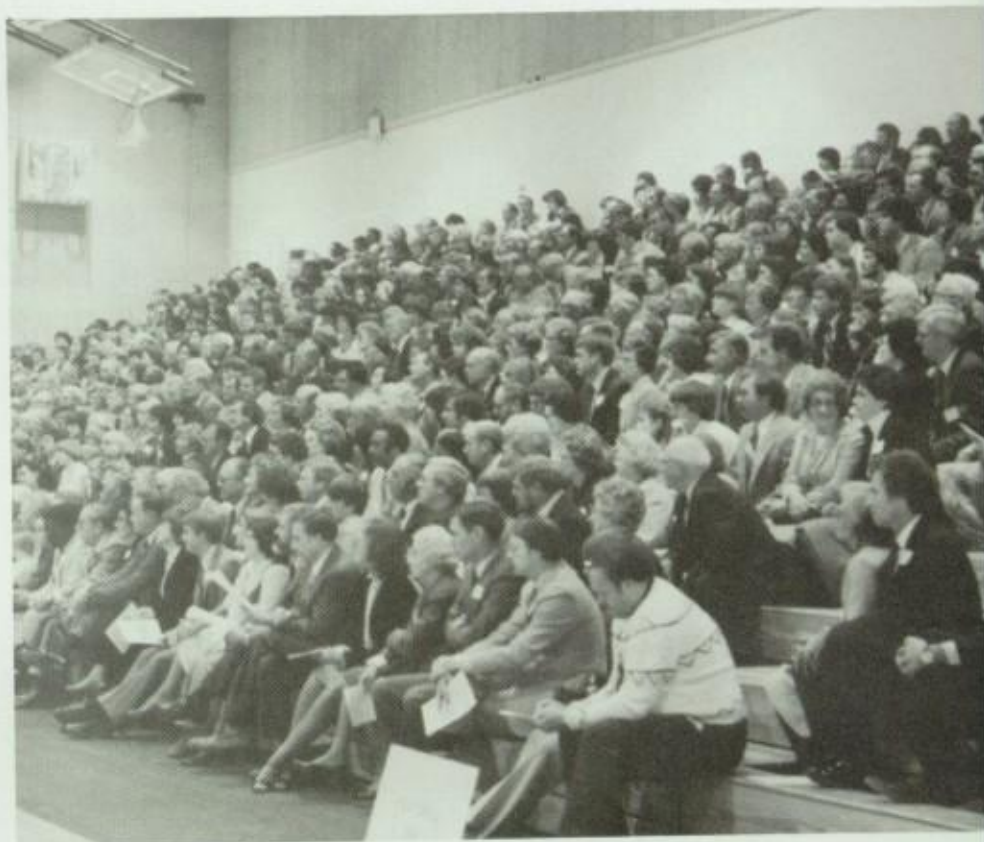

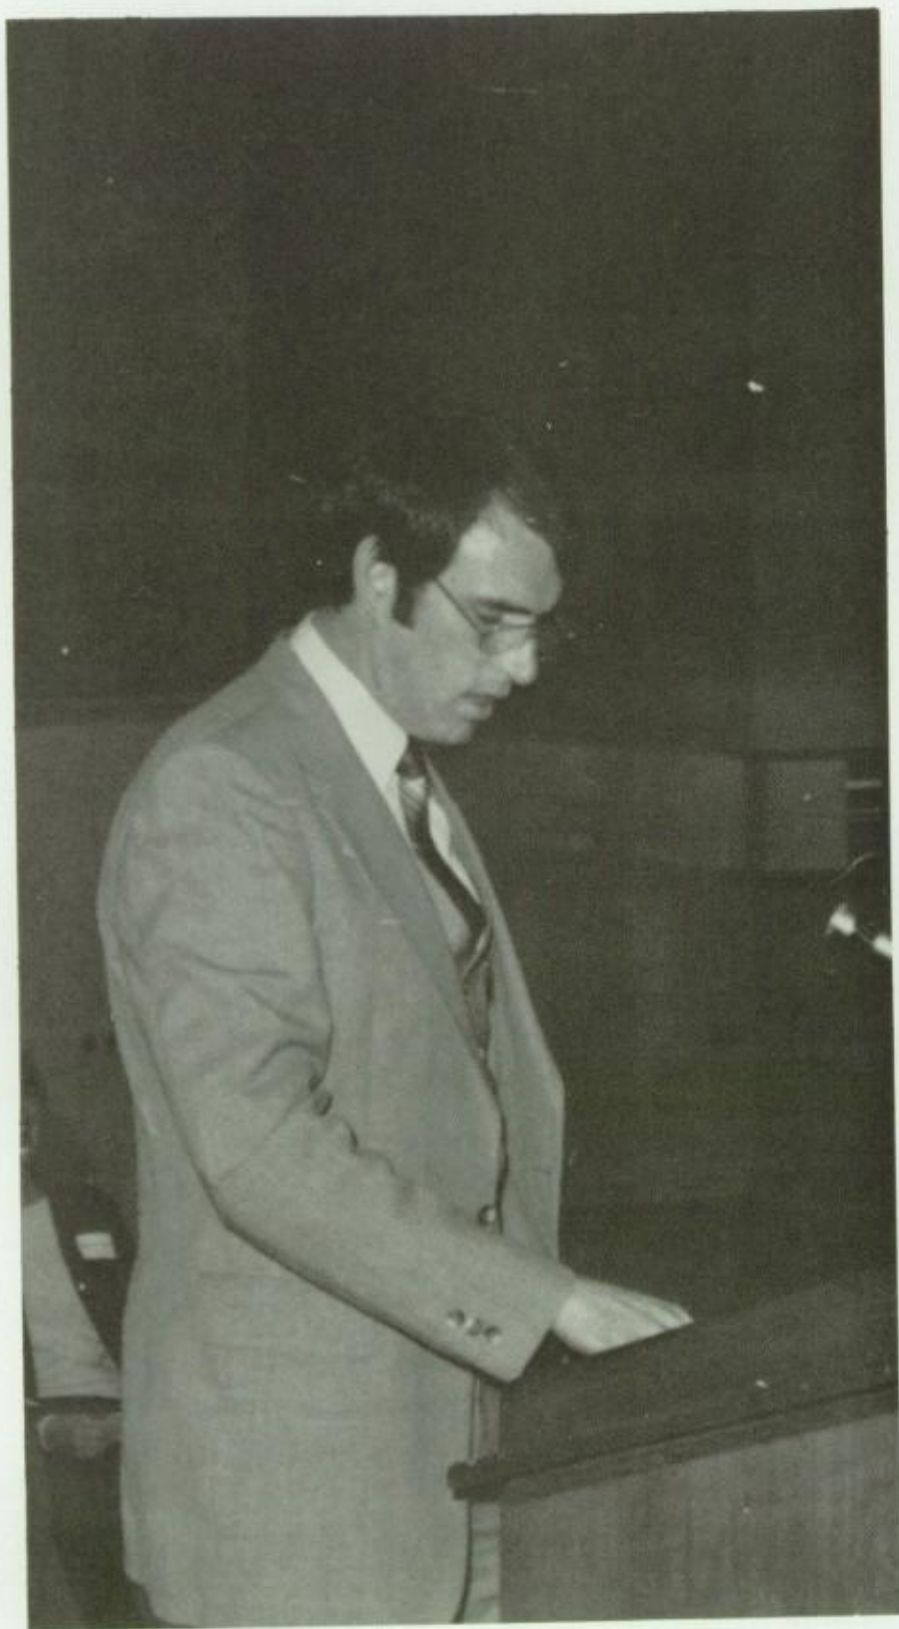

Mr. Newlin found time during this important day to talk with Mr. and Mrs. Norman Young.

These people were among the guest speakers at the dedication ceremony.

Two Eden city principals, Mr. Bob Wilkes and Mr. Jim Wilson, were among the guests at the dedication.

Dr. John H. Baker, a 1966 graduate of Morehead High School, was a guest speaker at the dedication. Right: Student Council served refreshments after the dedication.

Wendell Newlin, born in Southern Alamance County was principal at Morehead High School from 1955 to 1977. He is married to the former Alice Coble and they have three sons, Carl, Steve, and Greg, and one granddaughter Lisa Newlin. Mr. Newlin's practical wisdom has long been respected by people who have known him. His most famous quote, "Son what's your name? Where do you belong?" still echos through the halls at Morehead.

The Glee Club sang "America the Beautiful" and "Cool Water", which are Mr. Newlin's favorite songs.

Christmas 1981

This year's White Christmas Drive was a great success. Over 1000 food items were donated along with a check in the amount of \$857.00 from the Student Body; (\$70.00 from the Coke sales, \$312.00 from the Christmas assembly, \$450.00 from Student Council, and \$25.00 from Junioresettes). Shannon Blackwell, Vice-president of the Student Body, presented all food items and the check to Kathy Rodgers. Mrs. Rodgers is the chairman of the Empty Stocking Fund, a project sponsored by the Eden YMCA.

1981-82 BASKETBALL HOMECOMING QUEEN

Dependable, energetic, and compatable are just a few words to describe Debra Diane Hylton, the 1981-82 Basketball Homecoming Queen. She is a member of the Pep Club, Juniores, and the Treasurer of the Student Advisory Council. When she is not in school, Debra enjoys swimming, sewing, playing tennis, raquetball, and jogging. Her special talents include singing, modeling, and dancing. After graduating from high school, Debra plans to attend the University of North Carolina at Chapel Hill and study to become a secretary or a dental assistant.

MOREHEAD VS. HOLMES

The traditional faculty game was held in order to raise money for the sports department. Unfortunately, Holmes prevailed with the score of Holmes 52, Morehead 48. The Morehead faculty seemed nervous at the beginning, while the Holmes faculty ran up the score. Morehead seemed promising near the end thanks to Pete Cunningham. While the game was being played, Coach Strickland and Mr. J. White diligently worked the concession stand. The competition between the two schools is great. Everyone had a good time.

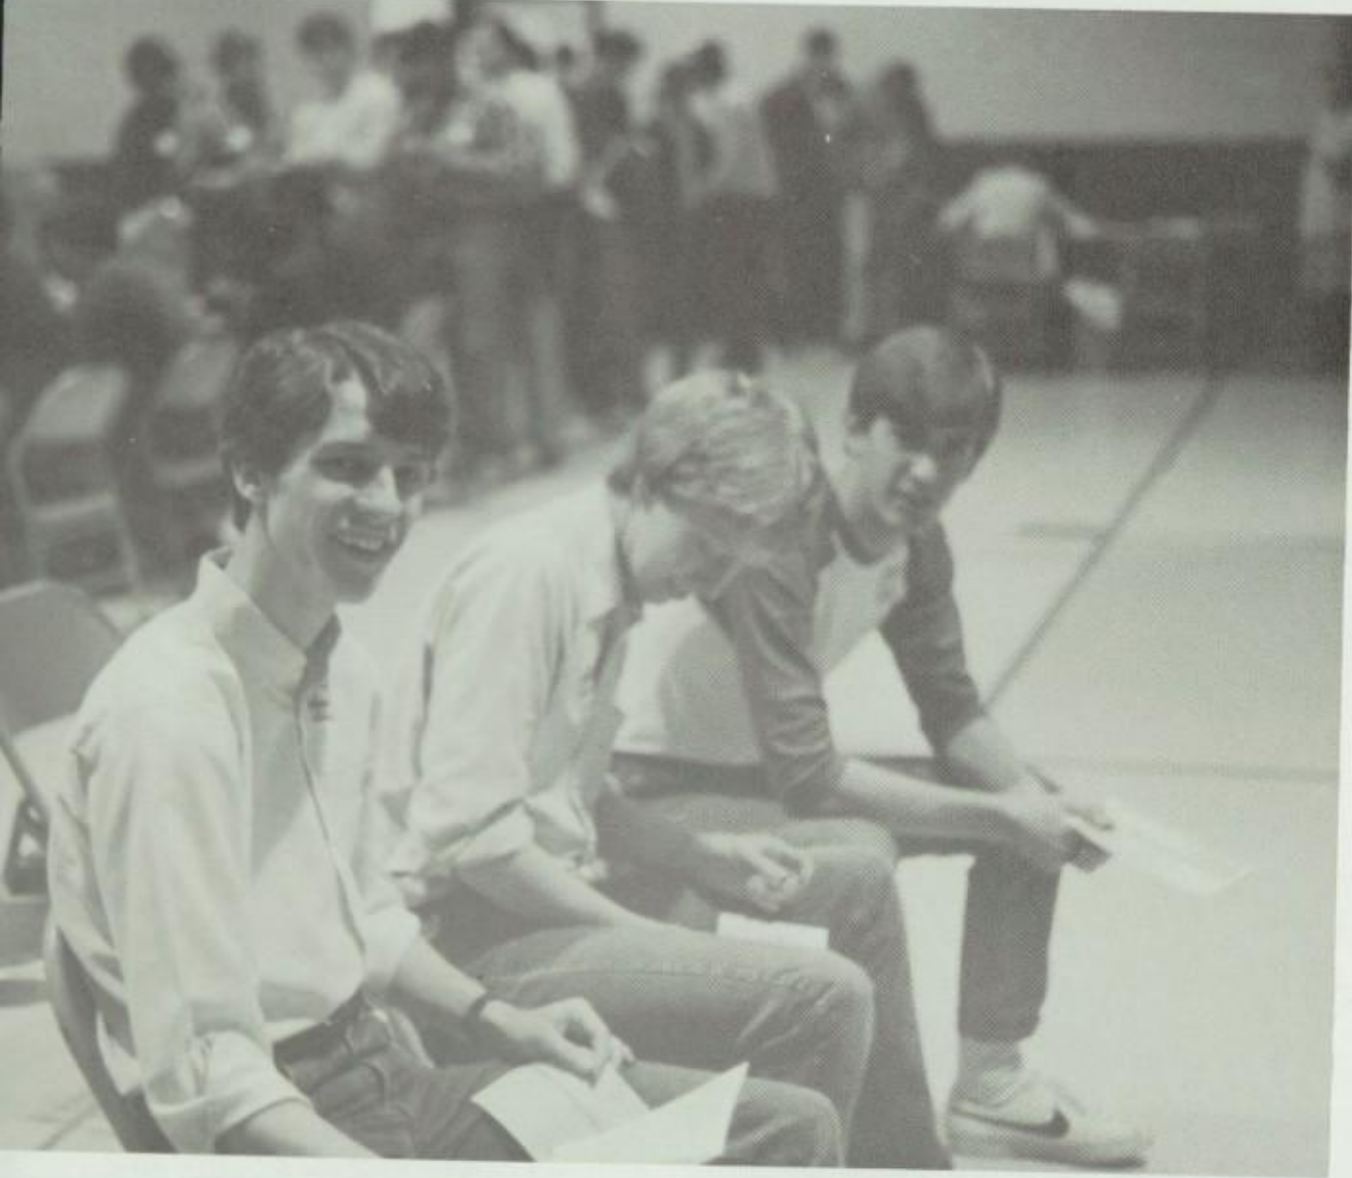

FACULTY GAME

BLOOD MOBILE

At the Canteen, volunteer workers Jay Scales, Lori Wade, Anna Jane Yarberry, and Sheila Milner wait to serve those who gave blood. To replenish the body fluids and increase blood sugar all donors received a cookie and a bottle of coke.

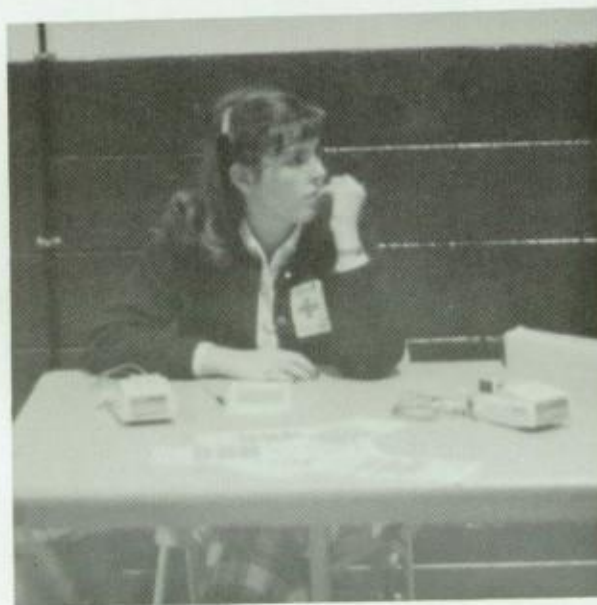

Tim Newman, Robbie Moore, and Eric Olson wait their turn to give blood after filling out their registration form.

As a person decides to support the Blood Mobile, he must go through the Donor Beltline. First, when he arrives, he is greeted at the door and made welcome. He then signs up at the registration table, giving his name, address, telephone, and Social Security number. The next table he comes to his temperature is taken by an authorized volunteer. He must then have his blood pressure and pulse evaluated and recorded. Later, he is escorted to the medical history table where he fills out forms. At the same table he receives his hemoglobin test. If he passed the blood test, he receives his numbered blood bag and proceeds to the labeling table. Then he is escorted to the donor room where a staff nurse draws the blood. When the donation is complete, he is taken to the canteen. Volunteers serve refreshments that begin replacing fluids and observe donors for possible reactions.

Above: Trying to avoid the long sign up table, Kenny Scott sneaks by . . . just to get back to school?
Below Left: Is Kay Rhodes waiting for her next donor or is she taking her own temperature after a tiresome day of reading the mercury mark?
Below Right: Waiting for the mercury to rise, Randy Paschall keeps quiet for temperature reading.

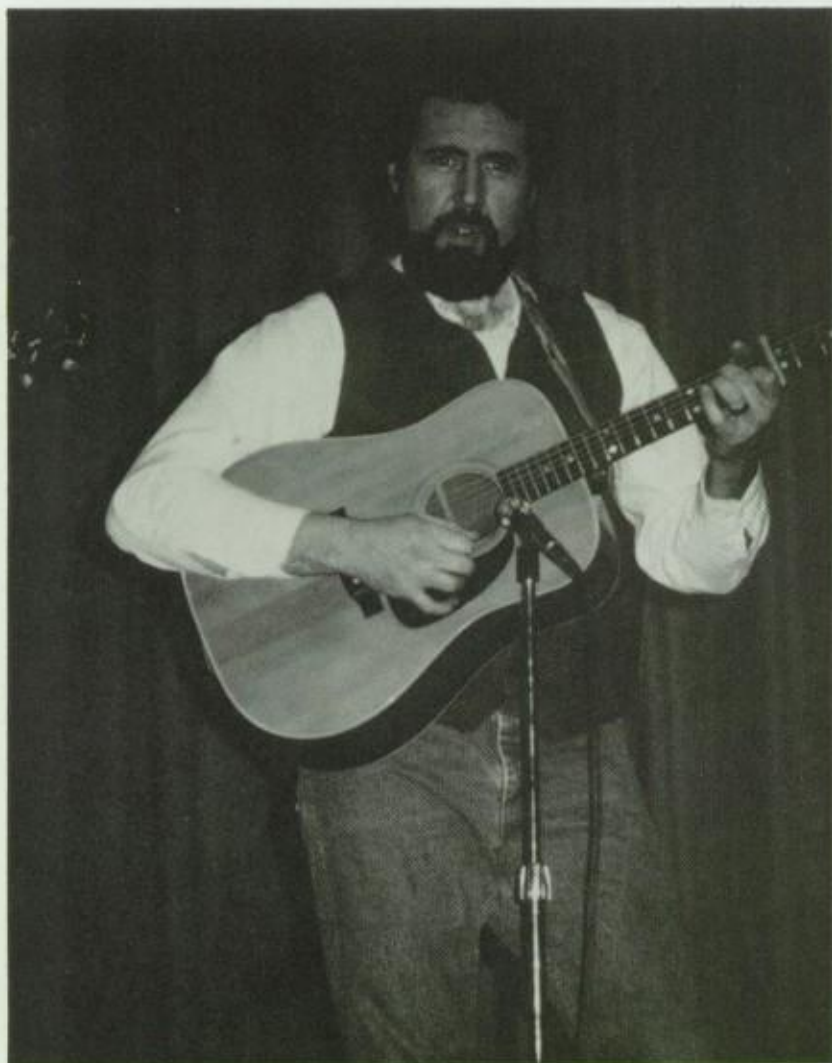

Preparing for the blood donors, the student volunteers label the blood bags.

Nervously, Tammy Perry awaits the moment to have her finger pricked!

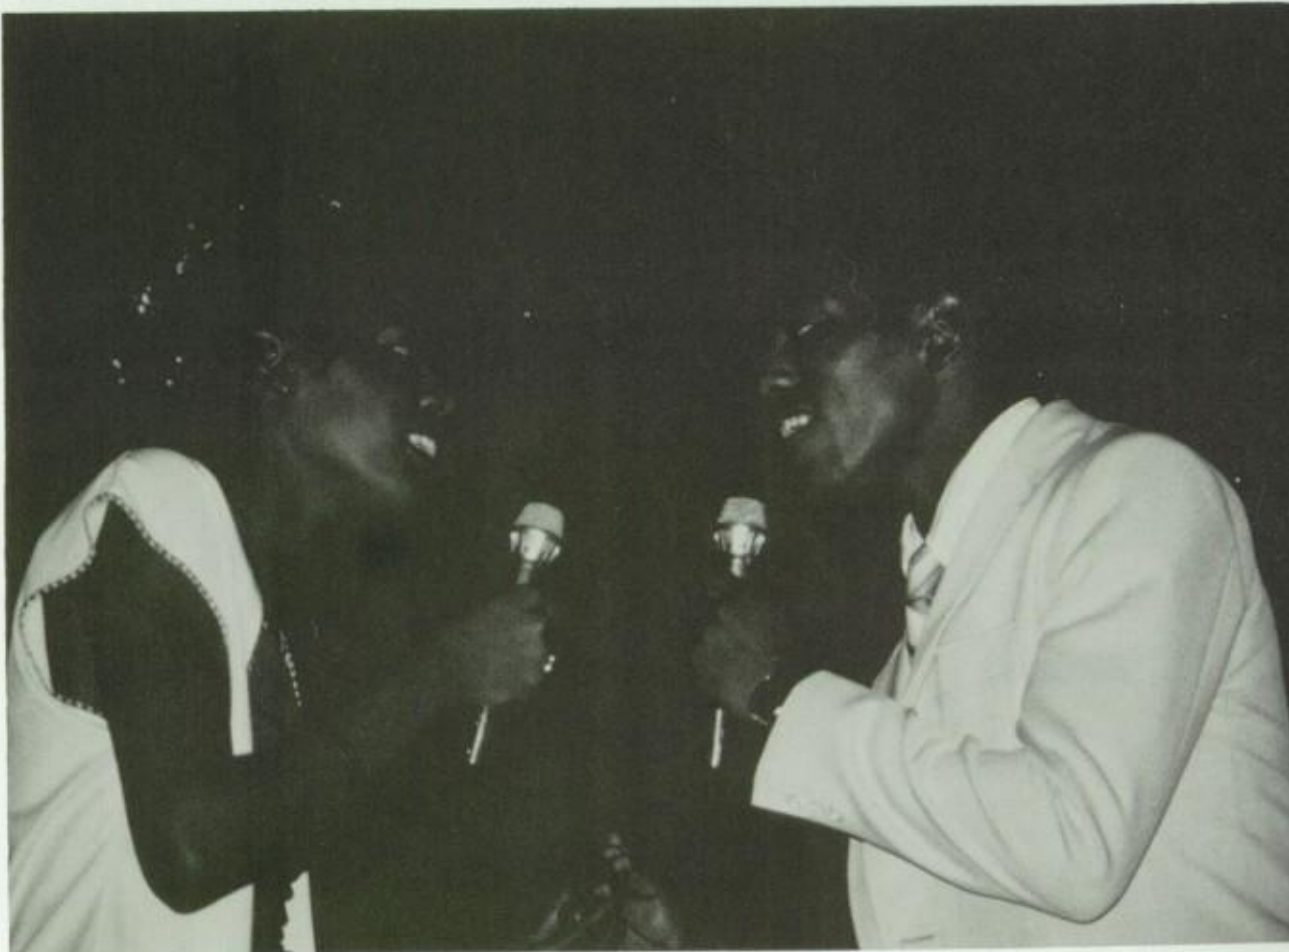

VARIETY SHOW

The Way We Were

*Memories light the corners of my mind
 Misty water color memories
 Of the way we were.*

*Scattered pictures of the times
 We left behind,
 Smiles we gave to one another,
 Of the way we were.*

*Can it be it was so simple then
 Or has time rewritten every line?
 If we had the chance to do it all again
 Tell me, would we;
 Could we?*

*Memories may be beautiful and yet
 What's too painful to remember
 We simply choose to forget.
 So it's the laughter we will remember
 Whenever we remember,
 The way we were.
 The way we were.*

PANTHER TALES

July 1

School was soon to open, and Mr. James Wilson was appointed to the position of Principal of Morehead Senior High School.

August 24

Today we entered the doors of MHS. For some it was the first time; for others, it was the last. This was the beginning of a new year, and our intentions were to make the most of it.

September 4

Anticipation filled the air as we had our first Pep Rally for the "Fighting Panthers". Everyone was ready to support our football team as they approached a new season. Today the "babes" experienced their first real Pep Rally.

September 10-21

For the juniors, these were the days of putting on smiles and trying to sell those magazines. They surpassed last year's goal, and therefore Stephanie Reinard got to hurl a pie in Don Wright's face. The high sales person was Sherron Slaughter.

October 3

MHS senior Kim Angel won the 1982 Rockingham County Junior Miss Pageant.

October 6-7

The Competency Test. Every High School Junior in the State of North Carolina took this test at the same time. It determined whether a student would receive a Diploma or a Certificate upon completion of his high school work. Of the 292 juniors at Morehead, 96.6% passed the Reading portion, and 94.2% passed the Math.

Morehead juniors ranked third in Reading and 4th in Math in our Region. Some of

the school systems in our Region are Madison-Mayodan, Reidsville, Rockingham County, Greensboro City, Burlington City, Forsyth, Asheboro City, and Randolph County.

October 12-16

This was the most exciting week of the entire year. It was Homecoming Week. In the air one could feel the excitement of things to come. On Monday we had an assembly to introduce the homecoming court. The Powder Puff game between the sophomores and juniors against the seniors was fought Tuesday night with the seniors victorious. On Wednesday we had the skits; and Friday, the parade. Tori Wright was crowned the 1981-82 Football Homecoming Queen. After the game, we had a dance in the gym sponsored by the Student Council.

October 17

Today the Marching Panther Band went to contest at Western Alamance High School. They marched and played

three songs. The band received an excellent rating.

October 27

After recovering from the excitement of Homecoming Week, the juniors had to settle down and concentrate on the PSAT. Today they discovered what taking a test was really like.

November 19

The senior class entered the auditorium with graduation thoughts in mind. This was the day to order invitations.

November 24

The entire student body attended an assembly to see the tapping of students into the National Honor Society. A student must be in the top 5% of the junior class and 10% of the senior class to become a member.

December 13

Our new gym was now complete. Athletes from 30 graduating classes attended the Dedication to Mr. Wendell Newlin, former principal. The band and glee club performed.

December 18

With smiles on our faces and Christmas just around the corner, we were ready to leave school for a vacation. We had an assembly and then homeroom parties before leaving for a well deserved vacation.

January 4

Back to the normal school day routine.

Everyone came back rested but not so eager to work. Today we received word of Lula Fitzpatrick's illness. Our hearts and thoughts were to be with her for

some time to come.

January 19-25

This was the time of mid-term exams. Everyone was trying to get that last bit of studying done in order to be prepared.

February 1-5

Another Homecoming Week had rolled around; this time Basketball was the occasion. Again we had competition between the classes as each class worked at night on their banner. On Friday the student body attended a pep rally where the Homecoming Court was introduced. The Junior Class had produced the best banner. Game time arrived, and the gym was packed for the occasion. During halftime the dance team performed, afterwards the Homecoming Queen was announced. Debra Hylton was crowned queen. After the game there was a dance in the old gym sponsored by the Student

Advisory Committee.

February 6

Our balloons were ready, and the clubs of MHS began the Heart Fund Drive. Daring people braved the cold and wind to collect donations for the worthy cause.

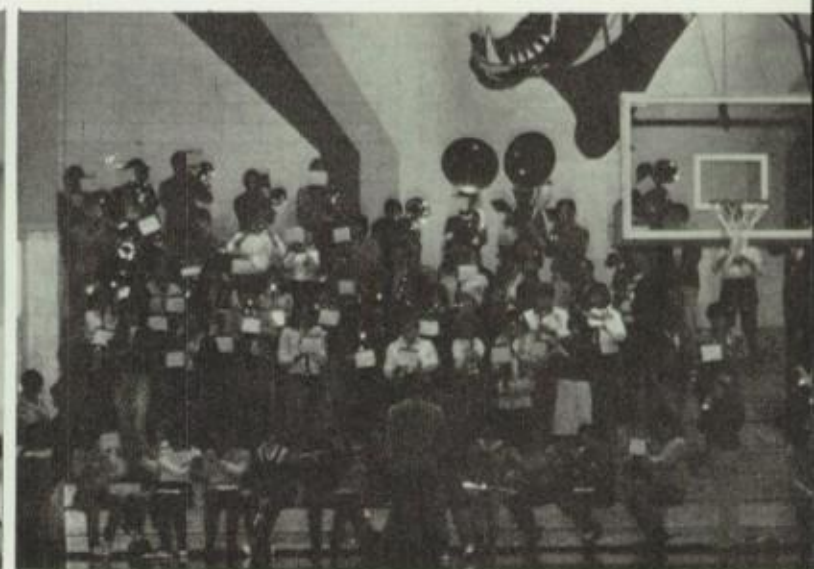

February 14

Donna Hutson received her Scholastic "Gold Key" art award. Kim Jarrett was a recipient of a Certificate of Merit for her art work.

February 26

Today was the day of the senior Bloodmobile. People had very mixed emotions as they arrived at school. Some of them were excited; others, petrified. The senior class reached their goal by the end of the day.

March 5

Senior Tim Newman became the recipient of the John Motley Morehead Scholarship. Tim is the first MHS student in 16 years to receive this award. The scholarship provides four years, tuition free, at UNC-Chapel Hill and is valued at approximately \$15,000. Tim won over 118 U.S. and Foreign applicants. His work begins this summer with the Outward Bound program in Denver, Colorado.

March 5

The Girls Chorus and Glee Club traveled to Smith High School for their annual contest. Each group sang two songs, and both received superior ratings.

March 15

Today was "candy lovers heaven" at MHS.

We began selling World's Finest Chocolate. This would be the only time

for organizations to raise money.

March 19

This year's variety show, "Variety Is The Ticket", turned out to be a huge success. Many students at MHS performed while Tim Newman and Greg Aaron provided the comedy as emcees.

March 26

The MHS Band traveled to Page High School for contest. The band played three numbers and received a superior rating. This was the first superior rating in 11 years.

March 27

That dreaded day was finally here. It was time to take the SAT. Students arrived at school on Saturday morning with sleep on their minds. As the morning progressed, they discovered how much they knew or,

in some cases, didn't know.

April 6

It was Annual Field Inspection Day for ROTC. The weather was bitterly cold as the band played and the units filed by. Doug Nichols received honor for having the "Best Company".

April 8

Tears filled our eyes as we found out about the operation Mr. Bill Carter was about to undergo. We began the day with a prayer. There was a chapel set up in the auditorium for those who wanted to pray for him. Love for this special teacher was shown on this day.

April 21

This was a big day for sophomores. Each student went to look over the rings and place his order.

April 30

This year's Career Day theme was "Your Career: Choice or Chance". The day began with an assembly in the auditorium. Then each student was allowed to go to two sessions of his or her choice. This gave us an idea of what jobs might interest us.

April 30-May 1

This year's production "I've Got the Music in Me" was a change from year's past. Instead of doing a Broadway musical, the Glee Club, Vocal Ensemble, Jazz Band, Stage Band, and Dixie Land Band performed. The proceeds went to the Glee Club to help them with expenses for traveling to the World's Fair.

May 4

"Freedom Jam" . . . this was one assembly that was not academic or school related. It was a time for students to sit back and relax. The group played and sang music that dated back to the year 1776 up to 1982.

May 5

This was the first year the seniors at Morehead were registered to vote in local and National Elections. Those who would be 18 by November 2 signed up and took the oath.

May 7

Tonight the students attended a concert in the Morehead Auditorium. The group was "Freedom Jam." They had performed a small show earlier in the week for the entire student body, but tonight was something different. An hour and a half of hard rock!

May 13

All rising juniors and seniors reported to the auditorium 4th period for a student election assembly. In years past only those running for student body office made a speech. This year candidates for class offices were also required to present a speech.

May 14

Seniors and their dates began a wonderful evening of glamour and excitement as they entered the PROM. The theme was "A Voyage To Paradise". The featured band was "Charlie."

May 17-21

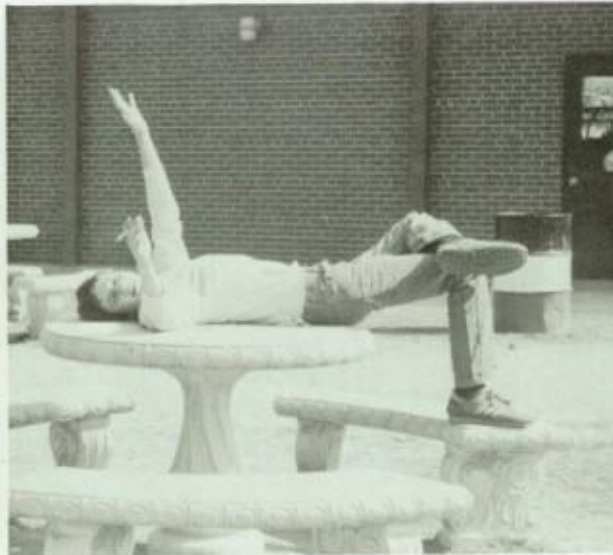

Senior privilege week began with a blast. Seniors wore shorts, were allowed to eat outside, had extended break, skipped home-room on Wednesday, and anticipated their trip to Tanglewood on Friday.

May 18

Today we received the results of student body elections. We now know in whose hands the fate of MHS will rest next year. The results were:

Student Body Officers

Pres.	Stephanie Reinard
V. Pres.	Mandy Woody
Sect.	Shannon Blackwell
Treas.	Valerie Bennett

Senior Class Officers

Pres. Beth Sharrow

May 21

Tanglewood here we come . . . the long awaited day finally arrived as seniors boarded buses (a first) and traveled to Tanglewood Park for a day of fun and relaxation.

May 24

Athletic Awards Assembly. Students

who excelled in athletics during the year were honored.

May 26

Senior Class Day. The day of the Senior Slide Show — sponsored by Mrs. Sandy Newlin, photography by Chip Norwood. Also, the reading of the senior class history.

May 28

Awards Day. This day was set aside to recognize all those who excelled academically and who were outstanding in their service to the school.

June 7-10

The week of final exams ending on Thursday the 10th at 10:30 am . . . FREE AT LAST!

June 6

Baccalaureate Service: 8:00 pm, MHS Auditorium. Sermon by Dr. Albert G. Edwards of the First Presbyterian Church, Raleigh, NC. Benediction by Rev. Warwick Aiken, Jr.

June 11

THE ULTIMATE TEST

Morehead's Junior ROTC Annual Formal Inspection (AFI) took place on April 6, 1982, the windiest day of the year. The temperature was 40 degrees with winds of 25 to 30 mph. The chilling temperatures and gusty winds were so bad that seven of Morehead's cadets were forced to drop out because of numbness and dizziness. According to Cadet First Lt. Mike Adkins it was, "The Ultimate Test."

"AFI is a very good way to evaluate cadets in all positions of leadership" MSG Caple explained. Morehead High School has earned the "honor unit with distinction" rating four consecutive years, with last year's AFI performance one of the best in the First ROTC Region (which

covers the entire East Coast of the Continental U.S. from Maine to Florida as well as Puerto Rico).

In 1981, Morehead's JROTC unit scored 99.15% and was ranked sixth out of 192 units inspected in the region.

"We have 251 cadets this year, the most the school has ever had in the Junior ROTC program. To give you an idea, we wound up with 175 last year which represents a 43.4% increase" said Col. Adkins.

Following the formal inspection the cadets passed in review as they marched to music provided by the Morehead High School Band under the direction of Mr. Wayne Barnett.

"The Company's have a chance to compete for the Best Company Award, which I thought every company had an equal opportunity."
Leroy Gilley

"In my opinion AFI is a frightening experience for LD-I cadets because they are usually worried about having to answer a lot of questions. This was my second year so I wasn't frightened in that I knew what was expected of me. This year I had a new experience because our platoon sargent was absent and I had to take his place. All in all, I have to say, AFI is something everyone should experience."
Rusty Jackson

"A good experience for first year ROTC students. Prepares one for the active Army."
Cashtina Artis

"A very fair and thorough inspection. The cadets did an excellent job in demonstrating their ability to perform as an individual; personal appearance and knowledge also, as a member of the overall team effort."
Sgt. Dodson

"An experience you will never forget."
Charles Carter

"A good feeling to know you have accomplished something."

Steve Chandler

"A very tiring, cold, but learning and helpful experience."
Skip Barnes

"My first year of ROTC. It was terrifying but rewarding."
Dawn Smith

"During my twelve years of school, I have never experienced anything like my last AFI."
Mary Green

"I was scared, nervous and completely frozen."
